PRESIDENT'S MESSAGE

Brian Nelson - President

On behalf of all our Directors and dedicated Volunteers, I would like to extend a warm welcome to the 159th Fair.

I think I can speak for many when I say that participating with all the students in the parade and welcoming all of our family back into our small town gives us all a feeling of pride and humbleness. Life is busy, however it stands true that the circle that your parents were once diligently involved in, is now one in which you or your fellow family members enthusiastically associate yourself with and thrive in, helping us create our success year after year. Without the whole community being involved, town and country folk alike, the Fair would not be the success it is today. From the rowdy and cheerful parade, to the dedicated exhibits, the roaring truck and tractor pull participants and children running through the midway rides, we have something for everyone to indulge in and enjoy.

Come one, come all and help us celebrate the Elmvale Fall Fair on Thanksgiving weekend. Create some memories with friends and family, as we celebrate our theme "Come Home to the Fair"

Brian Nelson

FALL FAIR AMBASSADOR 2018-2019

Corine Bateman

Hello, my name is Corine Bateman and I am the 2018-2019 Elmvale Fall Fair Ambassador. Over the course of my year as Ambassador that's something I've said with pride quite a bit. Last year on Saturday at the fair, to the Maple Syrup Festival where I celebrated everything it means to be from Elmvale, and at the CNE where I got to use all my skills to compete in an amazing program that connects youth across Ontario! In our community, my time as Ambassador has allowed me to see firsthand just how much time and dedication it takes 365 days a year to put on this amazing event. The Flos Agricultural Society is an extraordinary group of individuals who tirelessly give to this community. For anyone thinking that they want to get involved in the Fair whether it be through displays, competitions or as a first time visitor, I strongly recommend it. The agricultural industry has so many exciting stories to tell and ordinarily there isn't a place to do it and so, I would like to thank everyone for supporting agricultural in such an amazing way! I know I have loved every minute of being involved in the fair and seeing people experience rural life for the first time. This experience has taught me that I want to be a part of agriculture for as long as I possibly can, and I am very excited to see what the future holds.

So come on down to see the sights and sounds of the farm or try some local treats. Come make your own Fall Fair Memories! I hope to see you all Thanksgiving weekend!

JUNIOR FAIR AMBASSADOR 2018-2019

Brayson Fay

The Elmvale Fall Fair has always been an exciting annual event that I looked forward to participating in. I prepared entries ahead of time for the Children's School Fair, marched in the parade with the Wyevalde Wildcats on the Friday, and later showed in the Junior Showmanship class with my Papa's Clydesdales on Saturday.

As the Junior Ambassador I was able to represent our wonderful Fair at the District 5 General Meeting and I participated in the Elmvale Santa Claus parade and Elmvale Maple Syrup Festival. I was able to attend some of the planning meetings for the 2019 Fall Fair and that provided me with a behind the scenes view of the volunteers and the hard work that goes into preparing for such a huge event. Thank you to all of the Flos Agricultural Society and all of the many volunteers for your dedication.

I am very thankful to have had the opportunity to represent our Fair and I will cherish the experiences and memories for years to come. I look forward to congratulating the new Junior Ambassador and welcoming everyone to the 159th Annual Elmvale Fall Fair! See you at the Fairgrounds.

WHAT IS 4-H?

4-H is one of Canada's longest running youth organizations for young people between the ages of 9 and 21. The 4-H program is based on a "Learn to Do by Doing" philosophy. Since 1913, 4-H has given youth opportunities to learn new things through a dedicated group of volunteer leaders. 4-H youth learn the skills needed to contribute to making this a better world, truly an organization of leaders building leaders. Many of them go on to become leaders in their communities. The 4-H members come together to create a 4-H Club, and along with the guidance of their leaders, they learn about a selected topic through hands-on activities and mentorship.

VINTAGE TRACTOR PULL

FRIDAY, OCTOBER 11, 2019 - 6:00 PM

Chairman: Dan Clement; Dave Bertram, Jason Craddock, Dave Kenney, Keriann Kenney, Paul Kenney, Glen Moreau, Cory Smith, Dan Tinney

RULES AND GUIDELINES

1. Number of competitors will be limited in each class.
2. Registration fee of \$20.00 per vehicle. All fees collected are allocated to prize money.
3. Participants must provide proof of insurance coverage for their tractor at time of registration.
4. Each driver is only allowed to drive one tractor in one class during the pull. If registering more than one tractor, each additional tractor must have a new driver. Note: New "open" classes will be exempt from this rule.
5. Drivers will not be allowed to move up to the next class.
6. A puller and one helper will be allowed free admission to the grounds.
7. Drivers must be at least 16 years of age. If under 18 years of age, driver must have parent's consent.
8. All vehicles are subject to an inspection. Each tractor may only be entered by one driver in a class. Each driver may only drive one tractor in a class, except specialty classes.
9. No one is allowed on the track except persons running the tractor pull, and the contestant.
10. All pulling vehicles must be weighed prior to the competition. The maximum weight per class includes both the pulling vehicle and the driver.
11. All pulling vehicles must have an operator in the driver's seat while being started.
12. All pulls must be started from a tight chain, and on the raising of a green flag by the flag man.
13. All pulls shall operate with 2 flag men on the lefthand side of the track. The starting flag man will be responsible for the readiness of the track, pulling machine and contestant. The second flag man will be responsible for the balance of the course, under the guidance of the Track Official.
14. All vehicles must be in neutral or park (transmission selector) while being hitched or unhitched. Driver must raise both hands while hooking and unhooking.
15. Puller may have the sled spotted in the location of his choice with sufficient notice to the pull-back tractor operator during the return of the sled to the starting line following previous pull. If preceding puller moves the sled any measurable distance, the next puller may have the sled relocated prior to his first attempt.
16. Any contestant who wishes to make his draw in a different gear from which he started his pull, may opt to stop his vehicle before the 75 foot mark. At this point the sled will be returned to the starting position and one new draw will be allowed.
17. At the discretion of the pull committee, the first contestant of each class will be the "test puller" and at the completion of his or her pull may elect to pull again in 3rd position. If a driver elects to do this, his first pull will not be counted. All decisions or re-pulls must be made before the pulling vehicle is unhooked from the sled.
18. Tractors must be stopped immediately upon signal from the flag man. The signal will be the raising of a red flag by the flag man located alongside the edge of the track on the lefthand side of the pulling vehicle. The pull will be considered over when the forward motion of the sled stops.
19. Drivers must remain seated at all times during their pull, and wear an approved safety helmet.
20. No riders in or on pulling vehicles while pulling.
21. All vehicles must have functioning brakes.
22. All weights must be securely fastened on brackets and NOT in the cab or on the platform (no chains). The weights must not obscure the forward or rear vision of the driver.
23. The hitch must be rigid in all directions, and solidly mounted to the vehicle frame.
24. "D" Hitching Device: The diameter of the square or oval hole is a minimum of 3 inches at the longest measuring points of the hole. From the rear point of the hole to the rear point of the hitching device is a maximum of 1-1/2 inches.

25. Hitch point must be visible and clear for sled hook-up.
26. All tractors must be put in a staging area following weigh-in, and not returned to the pit area.
27. Pressurized fuels such as propane or nitrous oxide are not allowed as a secondary fuel.
28. The persons competing must drive the tractor onto the track and off (unless disabled) after competing, with no change of driver.
29. The contestant must proceed with pull at position drawn within 3 minutes of the time the sled is ready. If a puller has a mechanical problem he must drop to the last position. Rule called by Track Official.
30. All participants must obey the rules of the Ontario Tractor Pullers Association.
31. Stock tractors must have hood, floorboards, grill, fenders and be stock appearing. Engines must be stock or manufacturer's replacement for that model.
32. No four-wheel drive or dual-wheeled tractors shall compete against two-wheel drive tractors.
33. On tractors weighing up to 8,500 lbs. The maximum drawbar height is 18 inches from the top of the hitching device to the ground. On tractors weighing 10,000 lbs. or over, the maximum height is 20 inches from the top of the hitching device to the ground. The minimum drawbar length is 18 inches from the centre of the rear wheel to the point of the hook.
34. Stock tractors with a turbocharger may pull all stock tractor classes, as long as the turbo is/was factory warranted with the tractor.
35. Tractor exhaust systems with no mufflers must be pointed away from the crowd. Turbo tractors with no mufflers must have two 3/8 grade 5 bolts in vertical portion of exhaust pipe. Bolts to be installed 90 degrees and within 1 inch of each other.

THANK YOU TO ALL OF OUR VOLUNTEERS

The Board of Directors of the Flos Agricultural Society would like to sincerely thank all those people who repeatedly volunteer their time, equipment and expertise to assist in the preparation, organization and presentation of our Fair every Thanksgiving weekend. There are far too many names to list, but you know who you are, and we would like you to know that without your assistance, we could not provide the much anticipated "Homecoming" weekend for everyone to enjoy, while also attending one of the very best Fairs in the Province of Ontario each and every year.
