In Memoriam

The Flos Agricultural Society has devoted this space, to remember, pay tribute to, and honour, all those no longer with us this year, who dedicated portions of their lives to supporting and promoting both the growth of agriculture and most of all, community spirit, in our area. We thank them for their immense contribution and example.

Until we meet again, dear friends

President's Message

The Flos Agricultural Society has proudly showcased our agricultural community for over 160 years and we are excited to bring you the Elmvale Fall Fair for 2023! I am thrilled to be your president for the Flos Agricultural Society, as it has been a valued organization within my family for several generations. I myself have proudly participated at the Elmvale Fall Fair from a young age; being named 'Sweepstakes Baby' was just the beginning!

Elmvale Fall Fair is deeply rooted in tradition, which is no surprise because when you find something special, you must hold onto it. I am excited to welcome new residents and fair-goers as we share our community spirit, celebrate our rural roots and the future of agriculture. As we embrace our very own 'Thanksgiving Homecoming' I encourage you to enjoy the many exhibits, livestock shows, parades, activities, midway and entertainment at the fair, as it is these little moments that become big memories when shared with family, friends and neighbours. Our exhibitors and competitors' commitment to the fair is second to

none. I look forward to celebrating our theme "Sew It, Grow It, Show It". Each and every year I continue to be in awe of the products and talents showcased in the exhibit hall and showrings.

The Elmvale Fall Fair is simply the best of the best. We are certainly not the biggest fair, but we have heart. Thank you to all of our directors and volunteers, as well as our generous sponsors, supporters and fair-goers; without you, our fair would not be possible.

See you there!

Brenda Buchanan Munshaw - President

Junior Fall Fair Ambassador Message

My name is Riley Klein Gebbinck and I have had the honour of being your Jr. Ambassador for the past year. Growing up in Elmvale, the Fall Fair has been a big part of my family's tradition. During my year I was able to participate in the Fair itself, assisting with handing out ribbons for the livestock events. I have since then participated in the annual Santa Clause Parade, sitting in on a couple of meetings

where I have been able to work on my public speaking skills and learning how much work it takes to run this Fair.

I am proud and honoured to have had this role and cannot wait to see what the future of the Elmvale Fall Fair has in store for us.

Riley KleinGebbinck - JR Fall Fair Ambassador

Senior Fall Fair Ambassador Message

As the 2022/2023 Elmvale Fall Fair Ambassador for the Flos Agricultural Society, I had the privilege of representing and promoting the Fair and the agricultural community in the area.

This experience was truly unforgettable. Filled with opportunities to engage with local farmers, vendors, and community members, while also learning about the facets of the agricultural industry.

One of the highlights of my experience was attending the Elmvale Fall Fair itself. From witnessing the stunning displays of prize-winning livestock and produce, to participating in various competitions and events, it was truly a whirlwind weekend. I was thrilled to have the chance to interact with fair-goers of all ages, answer their questions, and share my enthusiasm for the agricultural community.

I also had the opportunity to attend the Ontario Association of Agricultural Societies convention, where I learned about the latest developments and innovations in farming practices. I was able to network with professionals and industry leaders. It was truly eye-opening to see the level of dedication and hard work that goes into farming and agriculture, and to witness firsthand the ways in which these individuals are working to shape the future of the sector.

Overall, my experience as the Elmvale Fall Fair Ambassador for the Flos Agricultural Society was a once-in-a-lifetime opportunity that allowed me to engage with and learn from some of the most passionate and knowledgeable individuals in the agricultural community. I will always cherish the memories and skills that I gained during this year, and I look forward to continuing to promote and advocate for this essential industry in the years to come.

Camry Miller - SR Fall Fair Ambassador

WHAT IS 4-H? 4-H is one of Canada's longest running youth organizations for young people between the ages of 9 and 21. The 4-H program is based on a "Learn to Do by Doing" philosophy. Since 1913, 4-H has given youth opportunities to learn new things through a dedicated group of volunteer leaders. 4-H youth learn the skills needed to contribute to making this

a better world, truly an organization of leaders building leaders. Many of them go on to become leaders in their communities. The 4-H members come together to create a 4-H Club, and along with the guidance of their leaders, they learn about a selected topic through hands-on activities and mentorship.

11. All pulling vehicles must have an operator in the driver's seat while being started.
12. All pulls must be started from a tight chain, and on the raising of a green flag by the flag man.
13. All pulls shall operate with 2 flag men on the left hand side of the track. The starting flag man will be responsible for the readiness of the track, pulling machine and contestant. The second flag man will be responsible for the balance of the course, under the guidance of the Track Official.
14. All vehicles must be in neutral or park (transmission selector) while being hitched or unhitched. Driver must raise both hands while hooking & unhooking.
15. Puller may have the sled spotted in the location of his choice with sufficient notice to the pull-back tractor operator during the return of the sled to the starting line following previous pull. If preceding puller moves the sled any measurable distance, the next puller may have the sled relocated prior to his first attempt.
16. Any contestant who wishes to make his draw in a different gear from which he started his pull, may opt to stop his vehicle before the 75 ft mark. At this point the sled will be returned to the starting position and one new draw will be allowed.
17. At the discretion of the pull committee, the first contestant of each class will be the "test puller" and at the completion of his or her pull may elect to pull again in 3rd position. If a driver elects to do this, his first pull will not be counted. All decisions or re-pulls must be made before the pulling vehicle is unhooked from the sled.

18. Tractors must be stopped immediately upon signal from the flag man. The signal will be the raising of a red flag by the flag man located alongside the E.D.G.E. of the track on the left hand side of the pulling vehicle. The pull will be considered over when the forward motion of the sled stops.
19. Drivers must remain seated at all times during their pull, and wear an approved safety helmet.
20. No riders in/on pulling vehicles while pulling.
21. All vehicles must have functioning brakes.
22. All weights must be securely fastened on brackets and NOT in the cab or on the platform (no chains). The weights must not obscure the forward or rear vision of the driver.
23. The hitch must be rigid in all directions, & solidly mounted to the vehicle frame.
24. "D" Hitching Device: The diameter of the square or oval hole is a minimum of 3 in at the longest measuring points of the hole. From the rear point of the hole to the rear point of the hitching device is a maximum of 1-1/2 in.
25. Hitch point must be visible and clear for sled hook-up.
26. All tractors must be put in a staging area following weigh-in, and not returned to the pit area.
27. Pressurized fuels such as propane or nitrous oxide are not allowed as a secondary fuel.
28. The persons competing must drive the tractor onto the track and off (unless disabled) after competing, with no change of driver.
29. The contestant must proceed with pull at position drawn within 3 min. of the time the sled is ready. If a puller has a mechanical problem, they drop to the last position. Rule called by Track Official.
30. All participants must obey the rules of the Ontario Tractor Pullers Association.
31. Stock tractors must have hood, floorboards, grill, fenders & be stock appearing. Engines must be stock or manufacturer's replacement for that model.
32. No four-wheel drive or dual-wheeled tractors shall compete against two wheel drive tractors.
33. On tractors weighing up to 8,500 lbs. The maximum draw bar height is 18 in from the top of the hitching device to the ground. On tractors weighing 10,000 lbs. or over, the maximum height is 20 in from the top of the hitching device to the ground. The minimum drawbar length is 18 in from the centre of the rear wheel to the point of the hook.
34. Stock tractors with a turbocharger may pull all stock tractor classes, as long as the turbo is/was factory warranted with the tractor.
35. Tractor exhaust systems with no mufflers must be pointed away from the crowd. Turbo tractors with no mufflers must have two 3/8 grade 5 bolts in vertical portion of exhaust pipe. Bolts to be installed 90 degrees and within 1 in of each other.

Thank You To All Of Our Volunteers

The Board of Directors of the Flos Agricultural Society would like to sincerely thank all those people who repeatedly volunteer their time, equipment and expertise to assist in the preparation, organization and presentation of our Fair every Thanksgiving weekend. There are far too many names to list, but you know who you are, and we would like you to know that without your assistance, we could not provide the much anticipated "Homecoming" weekend for everyone to enjoy, while also attending one of the very best Fairs in the Province of Ontario each and every year.
