Junior Fall Fair Ambassador Message

Hello, my name is Everson Fay, and I was honoured to be the 2024–2025 Junior Fall Fair Ambassador. The Elmvale Fall Fair has always been a special part of my life. As a child, I began by entering crafts and baking in the Junior Fair, marching in the parade with my classmates, and helping my Papa show his Clydesdale horses on Saturday at the ball diamond.

This year, I had the opportunity to continue the tradition and march in the parade with my school, Wyevalle Central Public School. Afterwards, I spent the rest of the day handing out ribbons at the 4-H cattle and pony shows. I delivered my speech on stage in the arena and later enjoyed the rides, games, and delicious food at the midway. On Saturday, I continued handing out ribbons at the cattle and heavy horse shows, visited vendors, and joined the other Junior Ambassadors in the second parade.

After the Fair, I was lucky to attend the District 5 Meeting, the Santa Claus Parade, and the Fair’s AGM. The District meeting included a workshop I really enjoyed, which related to the skills you develop being a Fair Ambassador.

I want to thank all of the amazing volunteers who dedicate their time and energy to planning this event every year. Without your hard work, this special homecoming weekend wouldn’t be possible. I’m truly grateful for the chance to represent the Elmvale Fall Fair, and I wish the best of luck to all this year’s contestants!

Everson Fay — Junior Fall Fair Ambassador 2024-2025

Senior Fall Fair Ambassador Message

Since I was a little girl, I’ve enjoyed Elmvale’s Fall Fair yearly. Now, I’m proud to have had the opportunity to represent Elmvale as its Ambassador.

In my term, I have met so many unforgettable people who share my passion for the Fair tradition, and have been a part of many different events

that have empowered me to continue working hard in my community, even after my time as an Ambassador is over. One experience I will never forget is the OAAS convention in February. For three days I participated in incredible seminars and met many people, including other Ambassadors from across Ontario. This position has allowed me to become more comfortable with my public speaking skills; a younger me would have never imagined getting up in front of so many people to speak the way I do.

I am incredibly grateful for my community, along with the leaders and volunteers who have made this competition possible for people like me.

Alexi Seili — Fall Fair Ambassador

WHAT IS 4-H?

4-H is one of Canada's longest running youth organizations for young people between the ages of 9 and 21. The 4-H program is based on a "Learn to Do by Doing" philosophy. Since 1913, 4-H has given youth opportunities to learn new things through a dedicated group of volunteer leaders. 4-H youth learn the skills needed to contribute to making this a better world, truly an organization of leaders building leaders. Many of them go on to become leaders in their communities. The 4-H members come together to create a 4-H Club, and along with the guidance of their leaders, they learn about a selected topic through hands-on activities and mentorship.

RULES & GUIDELINES

1. Number of competitors will be limited in each class.
2. Registration fee: \$20 per vehicle. All fees collected are allocated to prize money.
3. Participants must provide proof of insurance coverage for their tractor at time of registration.
4. Each driver is only allowed to drive one tractor in one class during the pull. If registering more than one tractor, each additional tractor must have a new driver.
Note: New "open" classes will be exempt from this rule.
5. A puller and one helper will be allowed free admission to the grounds.
6. Drivers must be at least 16 years of age. If under 18 years of age, driver must have parent's consent.
7. All vehicles are subject to an inspection. Each tractor may only be entered by one driver in a class. Each driver may only drive one tractor in a class, except specialty classes.
8. No one is allowed on the track except persons running the tractor pull, and the contestant.

9. All pulling vehicles must be weighed prior to the competition. The maximum weight per class includes both the pulling vehicle and the driver.
10. All pulling vehicles must have an operator in the driver's seat while being started at all times while tractor is running.
11. All pulls must be started from a tight chain, and on the raising of a green flag by the flag man.
12. All pulls shall operate with 2 flag men on the left hand side of the track. The starting flag man will be responsible for the readiness of the track, pulling machine and contestant. The second flag man will be responsible for the balance of the course, under the guidance of the Track Official.
13. All vehicles must be in neutral or park (transmission selector) while being hitched or unhitched. Driver must raise both hands while hooking & unhooking.
14. Puller may have the sled spotted in the location of his choice with sufficient notice to the pull-back tractor operator during the return of the sled to the starting line following previous pull. If preceding puller moves the sled any measurable distance, the next puller may have the sled relocated prior to his first attempt.
15. Any contestant who wishes to make his draw in a different gear from which he started his pull, may opt to stop his vehicle before the 100 ft mark. At this point the sled will be returned to the starting position and one new draw will be allowed.
16. At the discretion of the pull committee, the first contestant of each class will be the "test puller" and at the completion of his or her pull may elect to pull again in 3rd position. If a driver elects to do this, his first pull will not be counted. All decisions or re-pulls must be made before the pulling vehicle is unhooked from the sled.
17. Tractors must be stopped immediately upon signal from the flag man. The signal will be the raising of a red flag by the flag man located alongside the edge of the track on the left hand side of the pulling vehicle. The pull will be considered over when the forward motion of the sled stops.
18. Drivers must remain seated at all times during their pull, and wear an approved safety helmet.
19. No riders in/on pulling vehicles while pulling.
20. All vehicles must have functioning brakes.
21. All weights must be securely fastened on brackets and NOT in the cab or on the platform (no chains). The weights must not obscure the forward or rear vision of the driver.

 25. All tractors must be put in a staging area following weigh-in, and not returned to the pit area.
 26. Pressurized fuels such as propane or nitrous oxide are not allowed as a secondary fuel.
 27. The persons competing must drive the tractor onto the track and off (unless disabled) after competing, with no change of driver.
 28. The contestant must proceed with pull at position drawn within 3 min. of the time the sled is ready. If a puller has a mechanical problem, they drop to the last position. Rule called by Track Official.
 29. Stock tractors must have hood, floorboards, grill, fenders & be stock appearing. Engines must be stock or manufacturer's replacement for that model.

Thank You To All Of Our Volunteers

The Board of Directors of the Flos Agricultural Society would like to sincerely thank all those people who repeatedly volunteer their time, equipment and expertise to assist in the preparation, organization and presentation of our Fair every Thanksgiving weekend. There are far too many names to list, but you know who you are, and we would like you to know that without your assistance, we could not provide the much anticipated "Homecoming" weekend for everyone to enjoy, while also attending one of the very best Fairs in the Province of Ontario each and every year.
